EXPERIENCE

Switchboard BBS, Twin Cities — *Owner/Operator*

APRIL 2019 - PRESENT

A local consultancy for web development and digital asset management.

Community Hackathons

A program to train, mentor, and introduce youth to community problems, and to devise community-based solutions with low-code/no-code tools.

Saintly City Snow Angels

Spun out of our most recent Community Hackathon, we are developing a web app that will expand the Saintly City Snow Angels experience, and enable functionality like notifications and self-service.

EDUCATION

University of St. Thomas, Saint Paul — *B.A. in International Studies, minor in Japanese*

SEPTEMBER 2013 - MAY 2017

During this experience, I ran and operationalised my first startup as well as built foundational pillars for my current endeavors.

PROJECTS

Twin Cities Vegan Chef Collective

A collaboration with [Food by Zachary](#) and several Twin Cities-based chefs. Together we think about free food and how more people can access it.

No Fine Dining

A podcast and radio show about free food, and who's making and eating it.
